> TRAINING FOR THE BOAT RACES. While there can be little doubt that the human body may be fortified by a good and judicious system of training so as to render it more capable of austaining great and unwonted by the Harvard crew influenced the result of the late international race; and if their diet scale had been really such as was laid down by one of our contemporaries, the idea would have had some foundation. But we have ascertained that the Harvard men were allowed during their training plonty of meat, with milk, rice, vegetables, and fruit. Compared with the dietary of their opponents, it mainly differed in the matter of boor, which the Oxonians were allowed to consume, while the Americans used no beer. wine, or spirits. It is asserted that the Harward crow had been in training for four years. We cannot pretend to express any opinion as to what might have been the influence of the boats, or as to the effect of the want of experience of our river on the part of the Haward men; but the differences of dist clearly bad nothing to do with the result. The craws were well matched; the race was most severely contested, and it is evident that the Oxonians had to put forth their full powers to make the victory theirs .- The Lancet

The

IRISH FEMALE SERVANTS IN The New York Netion has an amusing article on the odd situations introduced into American households by Irish domestic ser. [THE P.& O.S. N. Co. asteamship vants. Comparing the state of things therein witnessed during the last twenty years to that

very luxurious, and social life splendid and DAY, the 20th instant. complicated, British, Thrucian, and German slaves fresh from the forest were constantly P. & O. S. N. On's Office. writer asks what would we not give for a volume of stories of the queer things these savages did, and of their ignorance of genteel Roman life? THE British Steamer And he goes on to observe how interesting future generations will consider the household erisis through which the people of the United Capt. Gardner, will be disputched for the above States are now passing. All the mistakes Ports TO-DAY, the 20th instant, at 2 p.m. in America, the author of this article in the Nation traces to the fact that the scale rate people in her own country atterly FOR SWATOW, AMOY, AND FOOCHOW. breaks down in the new. She finds everybody has a "store," or associates with those who have, and she concludes that wealth is the only standard of respectability in the States, but to wealth micrely "she never brings herself to pay any respect, much less petty allegiance." Even taking wealth as the standard, she does not escape from her difficulties, for she cannot rid herself of her notions of the manners peculiar to "gentlemen." She lately asked one lady at un intelligence office whether THE P. & O. S. N. Col's steamship sho was "a first-class family," and gave warning to another on the ground that her employer was a gentleman, imagnitch as "he arrival of the English Mail. bad three kinds of wine on his table, and

runs errands for his wife and daughters, never rings the bell, and bates to give trouble, and THE P. & O. S. N. Co. s steamship does not mind blacking his buots on a pinch. and washes down his meals with ice-water, and speaks to Bridget as if he and she had gone to will leave for the above place about 24 bours school together, is a being whom she never after the arrival of the next English Mail; thoroughly understands, and is constantly dis posed to regard as an impostor—a person living P. & O. S. N. Cu.'s Office, in a style be has no right to, and surrounded by luxuries he does not know how to enjoy." MISCELLANBOUS.

which she was born and had always lived, at the aged of ninety-night. Her son is now living, had on about the 28th instant, will have imaged seventy four years. The silk industry of the country has been for years lenguishing for want of the raw material, and we are glad to laurn that a Silk Supply. Association has been recently established to promote the production of the article in A good deal of attention has been excited in Canada, by a recent apeech at Quebec by Sir. John Young, the Governor General. At any Woodcock, Master, will have quick disputch for time he declares she may throw off the bonds the above port. which unite her to the mother country by simply. declaring her wish that they should be
